

QCD Meets Gravity

Friday, December 16, 2022

Cosmology: Review (9:45 AM - 10:30 AM)

-Conveners: Charalampos Anastasiou

time	[id] title	presenter
9:45 AM	[5] Applications of QCD techniques to the large-scale structure of the universe	SENATORE, Leonardo

Cosmology (11:00 AM - 12:00 PM)

-Conveners: Charalampos Anastasiou

time	[id] title	presenter
11:00 AM	[39] Efficiently evaluating loop integrals in the EFTofLSS using QFT integrals with massive propagators	BRAGANCA, Diogo
11:30 AM	[40] Classical holography from cosmology in a (2+1) dimensional scalar tensor theory and conformal field theory	BESSA, Pedro
